## 2026 13th International Conference on Electrical and Electronics Engineering

Antalya, Turkey | April 27–29, 2026

Nestled where the Taurus Mountains meet the turquoise Mediterranean, Antalya is a living tapestry of ancient heritage and vibrant contemporary life. Within this inspiring setting, where historic whispers blend with coastal energy, we are delighted to host the 13th International Conference on Electrical and Electronics Engineering (ICEEE 2026).

Join a global community of researchers and industry leaders to explore pioneering breakthroughs—from power systems and AI to sustainable technologies. Through expert dialogues, technical sessions, and dedicated networking, let the beauty of Antalya inspire the next era of innovation. We invite you to co-create the future of engineering with us at ICEEE 2026.
